OBJECTIVE

I'm a Mern-Stack Web Developer with a genuine passion for programming. I find great joy and comfort in the creative process of developing diverse websites. I am eager to continue my journey, leveraging my skills to craft compelling and user-centric web experiences.

EXPERIENCE

Next.js Developer

Dot BD Solution

📅 March 2024 - May 2024 📍 Gulshan, Dhaka

- Developed and maintained web applications using Next.js framework.
- Collaborated with a team of developers to design and implement new features.
- Optimised components for maximum performance across a vast array of web-capable devices and browsers.
- Conducted code reviews and provided feedback to improve code quality and performance.
- Participated in daily stand-ups and sprint planning meetings to ensure timely delivery of project milestones.
- Troubleshooting and debugging issues in a timely manner, ensuring minimal downtime and disruption.
- Assisted in the integration of third-party APIs and services.
